In this order, wet S. nos 418 and 419 were leased out for 5 years from the years 1908, to Siddamallappa on an annual sulla of Rs 55/- in consideration of the expr incurred by him to improve the lands &c. that a scale of expenditure as per marginal details was sanctioned,

As it was reported that the Archak Venkatakrishnachar promised to maintain the Temple in an efficient Condition and to conduct all services therein if the inam lands were given over to him, the Dy. Commr was requested to inform him that the matter would receive the consideration of Govt after the expiry of the lease. The Dy. Commr was requested to submit an estimate for repairs to the tirthas.

The Archak has petitioned Govt stating that the above lease has already come to a close and praying that the lands may be leased out to him, and that arrears of pay may be disbursed to him, and that the question of repairs may be taken in hand

of the case in detail.

The Amildar reports that the lands of the temple which were auctioned did not fetch a higher sulla, that the previous lessee Siddamallappa has failed to pay the sulla amounts and recommends that the entire lands of the temple may be leased out to the Archak (who is a land-holder) on an annual sulla of Rs 150/- (Rs 55/- for wet lands and Rs 95/- for dry lands). The Sub Divl Officer and the Dy. Commr agree with him, and recommend that the lands may be leased out to the Archak on condition of maintaining the Temple efficiently and conducting the services properly.

A bill for Rs 82-5-6 on account of pay etc. due to the Archak from January 1913 to the end of June 1913 and Kandayam due to Swami is submitted for sanction, the amount being met from the savings at the credit of the circle.

An estimate for Rs 64 3/- has been received - The Sub Divl Officer [illegible]

in his report dt 4th July 1914, that last year he sent up the estimate which could not be sanctioned for want of funds, and that unless repairs are executed urgently, the whole building will come down costing heavy outlay to put it into repair

A sum of Rs 468-11-4 is reported to be available at the credit of the institution on 31st may 1914. Adding to this a total sum of Rs 71-13-0 being arrears of Sutra due from Siddamallaiah and another, the total credit of the institution is Rs 540-8-4. A sum of Rs 82-5-6 has to be debited on account of arrears of pay to the Archak etc. and the balance that remains is Rs 458-2-10 which is insufficient to meet the cost of repairs - the Archak Venkatakrishnachar offers to undertake the repairs according to the estimate accepting only the sum at the credit of the institution the balance being paid by him subject to adjustment after the funds of the temple accumulate. This he offers on the condition that the temple lands may be restored to him as promised in

of his lease having expired on the 30th June 1914. He has now presented 2 petitions wherein he alleges that these lands were dry and he has to lay out a lot of money to bring the lands under wet cultivation, that he is a Kudiwaram tenant and his right to the land may not be interfered with, that on a personal representation ~~in the year 1907~~, the then 1st Councillor Mr. K. P. Puttanna Chetty directed the continuance of his lease for 5 years on a patta of Rs 55/ with a promise to lease out the lands of the temple permanently ~~after~~ thereafter. And that the Archak of the temple out of ill-will wants to deprive him of the lands. As regards his Kadim Sagumali hak, he makes mention of the documents of 1855 and 1892 (which have been alluded to in pages 4 and 5 of the office-note in the def. collection). He cites precedents to show that the cultivators and not the respective Archaks enjoy inam lands

He prays that the lands may be continued to him for a period of 15 years on an annual Jodi of Rs 60, with hopes of his future continuance if he satisfies the conditions of the case ~~hitherto~~ during the said period, and adds that he will pay as directed, Rs 200 towards the cost of repair — Rs 100 within a month from the date of the order, and the balance, in the ensuing harvest season.

The Reference Collection goes to show that the petr originally advanced his kadim tenancy right on the strength of the documents refd to, but Govt observed that his contention was untenable, as he and other cultivators were in unauthorized possession of the Temple inam lands. The Dy. Comms' order in the matter of applying the alienation Rules of 1877 to the case, was upheld. The Dy.

Siddanallappa appears to have been sufficiently compensated by the favourable lease he has been enjoying. He was prepared to pay a fee for the renewal of the lease and on this proposal being sent to the SI Comrs. for opinion Venkata Krishnama himself has come forward with a similar proposal. The fee of Rs 200 proposed will work out at as an addition to the rent of nearly Rs 30 a year if interest at a fair rate is also allowed and the sum will be handy for completing the repairs of the temple. Everything considered the SI Comrs proposal may be sanctioned. A draft is submitted for approval & the order.

Sir,

With reference to your C. M. No 3199 Mung 542-13-2 dated 13-5-14 forwarding for report petition from Archak Venkata Krishnachar of Sayur in the Nanjangud Taluk praying that the Inam lands endowed to the temple of Sri Anjaneyaswamy and Sri Venugopala Swami at the place may be restored to his possession and that repairs may be executed;

I have the honor to state that the Amildar reports that a sum of Rs 71-13-0 being the arrears of gutta amount due from the cultivators until the year 1913-14 has not been recovered; that one of the cultivators Siddamallaiah has failed to pay up the arrears of gutta amount though agreed to do so a year ago; that the right of gutta of dry lands endowed to the temples was sold by public auction for a period of 5 years from 1913-14 to the end of

stated to be Rs 95 per annum as in the pre-
-vious year. As the period of the lease in
respect of wet lands sanctioned in favor of
Siddamallah in para 4 of Govt. order No 5668-9
dated 17-6-1908 expired on the 30th June 1914, it
is reported that the right of patta of wet lands
have not been sold by public auction.

The Amildar reports that Archak Venkata
Krishnachar requests that if the Inam lands
(both dry and wet) were restored to his possession
on the present gutta of Rs 150 per annum he
would Conduct the services of the temples regula
and maintain the temples in an efficient condition

He further reports that the income from the
Inam lands would be Rs 150 per annum and
the cash tasdik granted by Govt is Rs 17-8-0
or Rs 167-8-0. The Expenditure as per sanctioned
Scale together with Kandayam payable to Govt
amounts to Rs 160-0-0. Thus the income of the
temples is enough to meet the Expenditure
of the temples.

An estimate for Rs 643/ has been sub-
-mitted by the Amildar on account of
repairs to be Executed to both the temples.

The amount now at the credit of the
institutions is reported to be Rs 468-11-4
on 31st May 1914. He Expects Rs 71 13

is still outstanding. The total
institutions after the recovery of the said
Rs. 71-13-4 would be Rs 540-8-4. A sum
of Rs. 82-5-6 has to be debited to the
institutions on account of arrears of pay &c
due to the Archak from January to the
end of June 1913 and the Kandayam due
to Government. The balance that remains
at the credit of the institutions is only
Rs 458-2-10 which is insufficient to meet
the cost of the repairs. The Archak Venkat
Krishnachar offers to undertake to execute
the repairs according to the estimate accept
ing only the sum at the credit of the temple
the balance being paid by him subject
to adjustment after the funds of the temple
accumulate. This he offers on the condition
that the Inam lands enjoyed to the temple
have to be restored to him as promised
in para 4 of Govt Order No 5668-9 dated
17th June 1908.

The Amildar and the Sub Divisional Officer agree to the proposal and recommend the restoration of the lands to the Archak subject to the condition that he has to pay gutta of Rs 150/ per annum,

of the temples as per Estimate
hereto to be executed excepting in the
first instance only so much money as may
be available at the credit of the temples,
that the temples should be maintained
in an efficient condition and that all
services attached to the temples should be
properly conducted.

In these circumstances I agree with the
suggestions made by the Amildar and the
Subdn Offr and request that Govt may be pleased
to accord sanction to the restoration of the
Inam lands to the Archak Venkat Krishnacha
and also to the Estimate hereinto submitted
for Rs 643/- The bill for Rs 82-5-6 on account
of pay &c due to the Archak and Kandayan
due to Govt may also be kindly sanctioned.

The file of correspondence received from
the Sub divisional Offr of Nanjangud vide No 1
dated 4th July 1914 is herewith submitted

Sir,

With reference to your letter No. 641 Muz 5421 13 4 dated 17th Sept 1916 forwarding for opinion two petitions from Siddamallappa of Jayur praying that wet S. No. 418 & 419 belonging to Sri Anjaneya Swamy and Sri Gopala Krishnaswamy temples in the Nanjangud Taluk may be continued to him on an annual gutta of Rs. 60/- with a lump sum payment, as premium, of Rs. 200/- towards the cost of the repairs of the temple buildings, I have the honor to state that Archak Venkata Krishnachar has deposed before the Amildar that he himself is willing to pay the sum of Rs. 200/- offered by Siddamallappa, towards the cost of the repairs as contribution if the lands both dry and wet are leased to him on an annual gutta of Rs. 150/- (Rs 55/- for wet and Rs 95/- for dry lands). Siddamallappa was the lessee of the wet lands only and he

Rs. 5/ more than what he paid last year. The dry lands were leased to others for Rs. 95/- The archak now offers to take up all the lands, wet and dry, for Rs. 55 + 95 or Rs 150/-

The Amildar reports that Siddramalappa, lessee of the wet lands, has not been paying the gutta regularly and that there is still some amount to be recovered from him. It is therefore considered that the increase of Rs 5/ offered by Siddramallappa, who is a defaulter, for wet lands only, is not commensurate with the advantageous leasing the wet and dry lands together though at a lower rate of Rs 5/ in all, to the Archak who is an influential person and would conduct the services of the temples regularly if the Inam lands were restored to his possession.

The Sub Division Officer supports the Amildars recommendation and adds that Sidda Mallappa does not appear to be a bona fide agriculturist "(ಸಿದ್ದಮಲ್ಲಪ್ಪನು ನಿಜವಾದ ರೈತನಲ್ಲವೆಂದು ತೋರುತ್ತದೆ)".

Under these circumstances, the present offer of the Archak to pay up Rs. 200/ and

take the wet and dry

annual gutta of Rs 150 by the accepted

The vernacular records ending with the

Nanjangud Sub Division Officer's Judi No 96 of
